Motion 20070818

Title: Caribou Hat/Lapel Pin purchase

Text of the motion: I move that Jim purchase 200 Caribou Hat/Lapel Pins from the same vender that provides the Caribou Coins.

Rationale or explanation: These pins will be one inch long and made from flat stamped metal and then painted.

When the image is reduced to one inch much of the detail will be lost. Jim will attempt to get the squadron identifier removed from the tail. The cost is \$270.00 delivered. The consensus of the board is that Jim's idea is great and that these pins will be a fast seller.

Carried: 20070818
