Title: Adjustments to Memorabilia Inventory

Text of Motion:

1. To add the Caribou DVD to the list of Memorabilia Stocked Items and to increase the limit on inventory value from \$5,000 to \$6,000.
2. To scrap the nine "old" 3-view t-shirts by donating them by them to a veterans' organization or a charitable organization to be chosen by Jim Meyer.

Rationale or explanation:

The stocking of standard inventory items is decided upon by the Board, as is the inventory limit. Scrapping inventory must also be approved by the Board.

Vote Result: Carried, October 30, 2008
