Title: Purchase of Projector

Text of Motion:

I move that we purchase a Viewsonic PJD7820HD digital projector with a spare bulb for use at reunions. The total cost of this purchase should be under \$750.

Rationale or explanation:

Hotels charge us \$200-250 a day to rent a projector for the banquet or business meeting. The price of projectors has come down significantly in recent years. In 3 reunions we could amortize the cost of having our own and have more flexibility to boot. Since this purchase is over \$500, it requires Board approval.
