Title: Memorial Plaque Replacement

Text of the motion: I move that the Association purchase two new, replacement memorial plaques listing the names of our 39 fallen comrades for a total cost of \$3,050 (including shipping for one to Dyess AFB and the other to Hill AFB) from The Crowe Group Inc, PO Box 3422, Abilene TX 79604-3422, in accordance with the motion approved by the membership at the 2006 business meeting. Said purchase shall request a written commitment from The Crowe Group to retain the pattern for the replacement plaque until 1 July 2009 at no cost to the Association. Furthermore, that a designated Association representative at each location be directed to effect the removal of the existing plaque, to store said plaque until the Board directs salvaging of the metals therefrom, and to take whatever steps are needed to install the replacement plaques at the respective location

Rationale or explanation: Self evident.
