Title: Lockwood HLM

Text of Motion:

That the widow of Del Lockwood [537, 68] be granted Honorary Associate Member status in recognition of her husband's service in Vietnam.

Rationale or explanation:

This action is deemed to be appropriate since Maj Lockwood was killed in June 1972 during his C-130 flying after his Caribou tour. He did not have a chance to become an active member of the Association because he died before the formation of the Association.
